**Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 20xx
RE: FCC Form 471 120228**

I. INTRODUCTION AND SUMMARY

The Auburn School District serves pre-kindergarten through Grade 12 children spanning the town of Auburn in Massachusetts. Since 2008, Auburn Public School District has been a very small but successful participant of the E-Rate program.

The Auburn Public School District submitted and certified their Funding Year 2019 FCC Form 471, 191042141, in the "Apply Online" portal of the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company's ("USAC") website, on April 19, 2019, just 24 days after the FCC Form 471 filing deadline of 2019 Form 471 filing deadline.

A staff member of the Auburn Public School District works E-Rate into his/her already busy work schedule, and is the sole staff member performing E-Rate duties. The form was filed post deadline due to an innocent error made when completing the original form 470. Upon

discovery of the error a call was placed on March 24, 2019 to the support staff at USAC. After a discussion we were advised to discontinue our current 471, and start the process again with a new, corrected, form 470. It was understood that we would then be unable to meet the 28 day waiting period, and thus would fall outside the Form 471 filling window. I was advised by USAC staff to complete the process with a new 470 and 471 and request this waiver in order to fulfill our needs as stated in the corrected Form 470 and Form 471.

II. Request

The Auburn Public School District respectfully petitions the Commission to request a waiver of the Funding Year 2019 FCC Form 471 filing deadline on behalf of the Auburn Public School District to allow the Out of Window submission of their E-Rate Funding Year 2019 FCC Form 471 191042141, due to refiling of our Form 470 as advised by the USAC support staff. The district has never before requested a waiver for any portion of the E-rate program.

Respectfully submitted,
